
Table of contents

Executive summary	11
<i>Key trends in energy investment by sector</i>	11
<i>Key trends in financing and funding energy investments</i>	13
<i>Energy innovation, digitalization and employment</i>	14
<i>Implications of energy investment</i>	15
Introduction	17
1. Trends in energy investment	19
Total investment in the energy sector	20
Energy end-use and efficiency investment	23
<i>Air conditioning and cooling</i>	28
<i>Heat pumps</i>	32
<i>Electric vehicles</i>	34
Electricity and renewables investment	40
<i>Investment in power generation</i>	41
<i>Trends in power generation costs</i>	47
<i>Investment in electricity networks and storage</i>	50
Oil, gas and coal investment	59
<i>Upstream oil and gas spending</i>	59
<i>Upstream oil and gas cost trends</i>	66
<i>Investments in the LNG value chain</i>	75
<i>Oil and gas pipeline investment</i>	76
<i>Coal</i>	80
2. Trends in energy financing and funding	85
Overview	86

Global trends in energy financing.....	87
<i>Sources of finance for new investments</i>	87
<i>Focus on green bonds</i>	96
Key financial indicators for the upstream oil and gas sector	99
<i>Sources of finance</i>	99
<i>Mergers and acquisitions in the oil and gas sector</i>	105
Financing and funding of electricity supply investment	106
<i>The impact of policy and new business models on funding</i>	106
<i>Utility strategies to mobilise finance</i>	119
<i>The role of corporations in electricity sector investments</i>	123
<i>Focus on financing electricity investment in India and Indonesia</i>	129
3. Innovation, digitalization and jobs	139
Overview	140
Investment in energy innovation	140
<i>Spending on energy research and development</i>	141
<i>Spotlight on carbon capture and storage</i>	147
Investment in digital technologies in the electricity sector	149
The impact of energy investment on employment	151
<i>Power generation sector</i>	152
<i>Employment in the upstream oil and gas sector</i>	156
<i>Energy efficiency and employment</i>	159
<i>Jobs and the transition to a low-carbon energy system</i>	161
4. Implications of investment	167
Abbreviations and acronyms	181
Units of measurement.....	183
